In the police court Tuesday morning
the continued case of Arthur Green,
George Chase and Dennis Vertefeuille,
charged with obtaining money under false
pretences, were heard by Judge Jones.
In case against Vertefeuille was noted upon
recommendation of Prosecuting Attorney
Samuel B. Harvey, who stated that there
was no chance of convicting him. Green
pleaded guilty to the charge; Attorney
Danahy, for Chase, entered a demurrer,
which was overruled by Judge Jones, and
both men were bound over to the next
criminal term of the superior court under
bonds of \$500 each. They were unable
to furnish bond and were taken to the
Brooklyn jail Tuesday afternoon. Both
young men secured a bankbook belonging
to another young man by giving a note to
him purporting to have been signed
by him, and they then drew \$125 from
the bank where the deposit was made.
This took place in May, but as the mother
of the man could not state which of the
young men had secured the bankbook they
were not arrested. The money was
also charged with theft of money
from Alpheus Potvin and entered a plea

of guilty. The amount specified in the
complaint was \$125 but Green said he
looked only \$114.40. The money was in a
box at the local shop conducted by
John Potvin and represented money
received in June. His son had counted the
money and was positive the amount in
the complaint was correct. Green ad-
mitted being arrested on five occasions for
playing penny ante. He was fined \$25
and costs.

Miss Schink, charged with breach of
the peace, appeared, but his case was
polled upon recommendation of Prosecut-
ing Attorney Samuel B. Harvey. The
complaint made against Schink by his
wife concerned his taking their five chil-
dren to a ride in his motorcycle and
coming back and telling the mother
that the children were with family in
South Windham. He also said that he
had bought a farm on Jordan road and
intended to move there this week. The
wife told the court that she did not want
to go to the farm, as her husband did not
treat her right and did not give her
money enough for support of herself and
the children. The couple have five children
of ages ranging from seven to one year.
Mrs. Schink admitted there was no dis-
turbance when her husband came for the
children. Prosecuting Attorney Harvey
interrupted the case at this point, saying
it was evident there was no breach of the
peace. Henry Deaconson acted as inter-
preter for Mrs. Schink.

The court room was crowded beyond
capacity during the hearing of the case.

Burton Austin, 31, of 309 Main street,
Willimantic, was instantly killed Tuesday
afternoon about 1:15 o'clock at the rail-
road crossing just west of Andover sta-
tion when the automobile he was driving

badly mangled. Parts of the automobile
were scattered along the tracks for a
distance of nearly a quarter of a mile.

day to cover a route for the Grand Union
Tea company. According to witnesses of
the smash he approached the tracks at
the intersection of the road and the
approach of the freight train. The
train in the railroad at this crossing
